## MR. GEORGE MARIACHER

HEAD OF THE DEPARTMENT OF SCIENCE
CHEMISTRY - ALGEBRA

ADAMS CITY HIGH SCHOOL
1950 through 1962

Mr. George Mariacher came to School District No. 14 as a teacher at Adams City Junior High in 1950. In 1954 he moved to the high school as a chemistry, algebra, and geometry instructor.

George is a graduate of Denver North and received his Bachelor of Arts and Masters Degree at Denver University. He has also attended the University of New Hampshire under the National Science Foundation program. He attended a geology program at Canon City last summer under the sponsorship of Oklahoma University.

Mr. Mariacher was in the Navy during the second world war where he served as an Aviation Mechanic, 2nd class. He spent most of his service time in the Pacific Ocean area. He was discharged from service in December of 1945.

Mr. Mariacher has coached sophomore football and JV baseball at one time or another at ACHS. He is still active as a football and basketball official. When not occupied as an official he generally announces our varsity football games and has been active as an announcer at basketball games. George enjoys a good game of golf and he is a better than average golfer. He is also a fine bowler and he is secretary of the School District No. 14 Bowling League. He is the second high bowler in the league. His general hobby is photography. He has often taken a large number of pictures for the Eagle. George also likes to ski and journeys to the mountains often during the winter.

We are proud to salute Mr. George Mariacher for his outstanding contributions to Adams City High School throughout his years of service. May he continue to give the students, under his guidance the outstanding opportunity for success that he has given others in the years past. Keep calling A.C.H.S. your home Mr. Mariacher.

1962

FIRST ROW, Left to Right: Barbara Swank, Paula Christiansen, T. J. Henderson, Sharon Trout, Mr. Lester Pankratz and Mr. Dale Graham, Sponsors; Dwight Shimoda, Sharon Tani, Rita Fino, Sandy Spano. SECOND ROW: Janet Cunningham, Ellen Stertz, Marty Stites, Larry Hartman, Ed Monson, Dan Thurston, Ken Crandall, Nancy Matthes, Barbara Morehead. THIRD ROW: Shirley Brown, Janice Thornton, Carol Brisbane, Carolyn Campbell, Bernita Howe, Patty McFaddin, Marianne Bergren, Carol Finch, Dennise Furlong, Bonnie Christiansen.

A good student council will not only carry on the traditions of preceding councils; it will also introduce new ideas and activities in order to meet the changing interests and needs of the student body as the school grows.

## CARRYING ON THE OLD!

Sophomore initiation week and the initiation assembly; An informal welcome dance following the first football game of the season; Homecoming festivities; National Assemblies; Sportsmanship committee; Christmas Assembly and Community Welfare project; Student exchange program with Westminster High School; Campaign Assembly and election of student body officers for 1962-63; Color Day Assembly including class competition and a dance; Award Assembly; Annual League Student Council Banquet and Dance.

## INTRODUCING THE NEW!

A coffee hour for the teachers was held during registration week so that the council members could become acquainted with the teachers; Additional speakers were installed in the cafeteria so that music may be played during the noon hour and for small dances; Sharon Tani was a candidate for State Secretary, the first candidate Adams City has ever had at the state level; Every classroom was provided with an American Flag; Four amendments were made to the student body Constitution—These amendments changed the organization of student council from club representation to class representation, and raised the academic grade requirements of student body officers; The current project is for construction of a Trophy Case in the Fieldhouse, so that the many trophies of Adams City High can be seen by the public there rather than in the old gym.

All of these activities, whether old or new, are sponsored by student council for the benefit and enjoyment of the students.

# SPORTSMANSHIP COMMITTEE

The Sportsmanship Committee is selected from the Student Council, Pep Club, Athletic participants and one student-at-large. The purpose of the committee is to judge opposing schools on their sportsmanship as a student body, the pep clubs, teams and coaches. After each contest during fooball, basketball, and wrestling season the committee rates the schools by marking a ballot. This ballot is sent to the Colorado High School Activities Association and none of the ballots are opened until spring. Each are tabulated by the principals of each school.

Adams City won the sportsmanship award during the season of 1960-61. We are hopeful of winning it a second time this year.

The 1962 Track and Field season was one of the most successful Adams City has had for some time due to the number of prospects that came out for the sport. A.C. finished fourth in the League Relays and tied for third in the league meet. Four seniors were on the team and contributed much to the success of the team. However, many sophomores and some juniors make the season next year very promising also.

Several new school records were established this year. Garcia, Kelley and DeRock were responsible for the major records including many relay records.

Adams City was the host to the Second Annual South Adams County Meet and Invitational Meet. The Eagles won first place in the Invitational Meet which included Greeley, Brighton and Sheridan Union.

Graduating Senior Lettermen James Garica, mile run and relays; Mickey DeRock, shot put, discus, and relays; Don Kelley, 440, 220, broad jump, high jump, low hurdles and relays; and Herman Wittich, 880 yard run.

This picture was taken on the night of the School Awards. Eight Head Coaches and one Assistant Coach was in attendance as were the athletes pictured below.
